Dear Parents/Carers,

As of Monday 15<sup>th</sup> March we are so looking forward to welcoming back our Primary 4, 5, 6 and 7 pupils to the school building to join our P1, 2 and 3 pupils. We hope the children are as excited as we are to be all back together once again.

Our Risk Assessments have had to change again so the safety procedures for the children coming into school are slightly different. These are the main factors to consider for next week:

- Children travelling on the bus must continue to wear a face covering at all times.
- Children must not arrive at the gate before 8:45am, as they will be met by a member of staff daily, who will sanitise their hands before entering the playground.
- Parents who are dropping children off in the morning are asked to stay in their cars, wherever possible, but if unable to do this they must wear a face covering and remain socially distanced (2 metres) from all other adults and children.
- Children will then make their way to their own classroom after the bell.
- Children are not permitted to bring toys and other unnecessary personal belongings from home. However, they still require to bring indoor shoes and a change of clothes for the infants.
- At the end of the day children will sanitise their hands on leaving the classroom and be escorted by a staff member from the school premises to the bus and car park.
- Parents/carers are still not permitted into the school building and must telephone the office beforehand if they need to come to school to speak with a member of staff or drop something off.

***All parents/carers must remain in their cars in the car park and wait for the children to be brought to them. Please refrain from exiting the carpark until all children are returned to their parents safely.***

If there is anything you wish to discuss further, please do get in touch using the usual platforms, we will only be too happy to help.

Have a very lovely weekend and we look forward to seeing you all again on Monday.

Kindest regards,

*Gillian*
